

Clean

Miracle® Sealants Counter Kleen

Professional grade cleaner removes dirt and grime with no harsh acids, abrasives or rinsing.

Use for: Counters made of natural stone, including marble, granite, limestone, travertine, ceramic tile, Corian, Zodiac and CaesarStone.

MSCKLE32 \$14.85 (32oz bottle)

Miracle® Sealants Disinfectant

Industrial-strength concentrated disinfectant is a cleaner, sanitizer, fungicide, mildewstat and deodorizer. May be sponged on floors, or used in a spray bottle. This product is corrosive and can be used safely with rubber gloves. Dilute with water.

Use for: Non-porous tile and stone in bathrooms, kitchens, food-preparation areas, and other household areas requiring disinfecting or decontamination.

MSDDSF08 \$12.08 (8oz bottle)

MSDDSF32 \$20.18 (32oz bottle)

SurfaceScience Neutral Natural Stone Cleaner

Concentrated neutral cleaner, safe for cleaning and brightening all types of natural stone surfaces. Can be used daily without damaging sealant. Can be mopped on floors, or used in a spray bottle for counters and walls. Lemon-scented. Dilute with water.

Use for: Removing heel marks, surface dirt and grime from practically any natural stone surface.

SS3210GL \$17.00 (1 Gallon)

SurfaceScience Neutral Porcelain & Ceramic Tile Cleaner

Concentrated neutral cleaner, safe for cleaning and brightening all types of porcelain and ceramic tile surfaces. Can be used daily without damaging sealant. Can be mopped on floors, or used in a spray bottle for counters and walls. Lemon-scented. Dilute with water.

Use for: Removing heel marks, surface dirt and grime from practically any porcelain or ceramic tile surface.

SS3210GL \$17.00 (1 Gallon)

StrikeBac® Disinfectant

Concentrated liquid for cleaning, deodorizing and disinfecting tile and stone surfaces. Can be mopped on floors, or used in a spray bottle for counters and walls. Lemon-scented. Dilute with water.

Use for: Removing odors and bacteria from practically any non-porous stone or tile surface.

SBLEMDGL \$17.50 (1 Gallon)

Miracle® Wipes

Antibacterial disinfecting and scrubbing power all in one easy wipe. Easy to use. Fresh scent. Safe to use daily.

Use for: Cleaning and disinfecting natural stone and ceramic tile countertops, walls and floors. Especially useful for areas hard to reach with a spray bottle.

MSMIRWIP \$15.00 (1 pkg)

Polish

Miracle® Sealants Stone Polish

Easy to use, professional grade color and gloss enhancer

Use for: Marble and granite countertops, vanities and walls.

MSPLSH08 \$10.13 (8oz bottle)

MSPLSH32 \$21.60 (32oz bottle)

Equipment

Terrycloth Towels

12 pack of 100% cotton terrycloth towels, pre-washed and ready to use. Extra absorbent, long lasting. Machine washable.

Use for: Cleaning, drying, polishing. May be used with all products.

TRYTWL12 \$7.65 (12-pack)

White Scrub Pads

Rust-free, white 6" x 9" scouring pads.

Use for: Light duty cleaning of stone and ceramic tile in bathrooms and kitchens (also safe for porcelain and most metals). Use with All Tile & Stone Neutral Cleaner or StrikeBac Disinfectant.

WSCRUB10 \$5.00 (10-pack)

Steel Wool Scrubbies

Industrial-grade (#0000) Ultra soft 4" x 4" steel wool hand pads.

Use for: Polishing and residue removal on natural stone surfaces. Great for removing hard water stains from polished natural stone (not for use on ceramic tile).

STELWL16 \$13.15 (16-pack)

Deck Brush

Nylon-bristle brush with wooden base can be used by hand or at the end of a broom handle.

Use for: Cleaning uneven or textured surfaces.

DCKBRUSH \$6.50 (1 brush)

Hand Brush

Nylon-bristle 'iron-shaped' brush with a plastic base and handle.

Use for: Scrubbing grout, cleaning uneven or textured surfaces by hand. Great for countertops and hard-to-reach areas

PLASBRUSH \$4.25 (1 brush)

Pump for Gallon Bottle

Plastic pump fits onto any gallon-sized bottle sold here.

Use for: Easily and neatly dispensing small quantities for mixing or diluting. Dispenses one ounce of liquid per pump.

PMPGLBTL \$4.00 (1 pump)

Generic Spray Bottle (32-oz capacity)

Spray bottle for filling with your favorite chemical cleaner.

Use for: Making efficient use of diluted or mixed cleaning and disinfecting liquids.

SPYBTL32 \$3.75 (1 bottle)

Rubber Gloves

One pair reusable Latex-free rubber gloves.

Use for: Protecting hands from strong cleaning and disinfectant chemicals.

RBRGLOVE \$3.00 (1 pair)
